

MUSKET'S SCAVENGER HUNT

ALL THINGS WVU

Are you a true gold and blue fan? We challenge you to collect and do everything on this list.

- One Flying WV in your house.
- One gold item.
- One blue item.
- Something that says West Virginia.
- Two WVU hats or shirts.
- Something that starts with a "W."
- Something that starts with a "V."
- Something that starts with a "U."
- A human who is also a WVU fan (in your house or virtually). Convince them to say "Let's Go Mountaineers!"
- A blank piece of paper and some crayons, paints, markers or colored pencils. Create your own gold and blue WVU sign.
- Do you know all the words to "Take Me Home, Country Roads?" Sing it loud and proud.
- Imagine we just got a first down. Do the first down cheer!
- Draw a picture of (or make) and photograph your favorite game day snack (make sure you have your parents' permission before you cook!).
- Write a poem about WVU. The cheesier the better!
- Take a selfie in your favorite WVU gear.
